THE CHURCH OF “LETS MAKE A DEAL “ A.K.A. “THE PRICE IS RIGHT.”

The mentality of the church has become a TV give away scene.

It provides a perfect escape from the Word of God. It seems so satisfying and exciting.

Think good things. Confess Jesus as your Savior. Now you are a Christian, problems all gone and money and health to everyone. But have nothing to do with obeying His Word. Bought into the worldly way. Good things will just happen without obeying and studying the Word. You have become as slave to your flesh.

Go to meetings again and again. They never change you. Don't repent. Go away with a short term fix for your soul.

Give your tithes / offerings to any one who stirs your soul. Some people have practiced and learned the art of õpan handlingö to a fine degree.

Meetings with bright lights and throbbing music that controls your body. You become addicted. Your flesh makes your spirit a slave.

Caught in an euphoria that controls you. When you leave the meeting, you return to your senseø, wanting more.

The love of money has caused a õchurchö separation from its intended purpose. In order to acquire funds, church organizations use professional businesses. They know how to manipulate people for money and how to create the professional looks. Snake oil sales men to glean money by worldly means.

A format that makes you think God has to obey your demands. You follow their plan. Gross me out !!

The true person of God relies upon inspiration from the Holy Spirit. You have to rely on God and His

promises. This adds no sorrow to your life.

The blab it and grab it doctrine prevalent in some õchurchö organizations smacks of witch craft.

Various activities entreat visitors, from concerts to sporting events. Each purported to lead to Jesus.

I wonder if the apostles and saints of old had to use diversions to get people to hear the Word of God ?

They relied on God through the Holy Spirit. Only God can save the spirit of the people. Hello !

The responsibility of obedience to the Word is the only true way to joy.

United States Trade Mark

When God gave me the mission of restoration of the Bay of the Holy Spiritø name, He said ö Have it trade marked.ö

I thought that was a strange request. After years of effort the United states Patent and Trade Mark office has officially, given me the exclusive use of the trade mark ö Bay of the Holy Spiritö.

The official trade mark number is 85-097,696

Any use of this trade mark will require my written approval. To fulfill the requirements of the statute. Restitution can be required, if the trade mark used with out my permission.

The purpose of the trade mark is to have the name remain holy under the Holy Spiritsø direction.. There is so much distraction and misrepresentation in the õchurchö and the world .A whole variety of nefarious activities.

My job is to do what the Holy Spirit directs, without misdirection from the õworldly churchö or its leaders.

When God gave me the mission of restoration of the Bay of the Holy Spiritø name, He said ö Have it trade marked.ö

I thought that was a strange request. After years of effort the United states Patent and Trade Mark office has officially, given me the exclusive use of the trade mark ö Bay of the Holy Spiritö.

The official trade mark number is 85-097,696

Any use of this trade mark will require my written approval. To fulfill the requirements of the statute. Restitution can be required, if the trade mark used with out my permission.

The purpose of the trade mark is to have the name remain holy under the Holy Spiritsø direction.. There is so much distraction and misrepresentation in the õchurchö and the world .A whole variety of nefarious activities.

My job is to do what the Holy Spirit directs, without misdirection from the õworldly churchö or its leaders.

THE CHURCH OF “LETS MAKE A DEAL “ A.K.A. “THE PRICE IS RIGHT.”

The mentality of the church has become a TV give away scene.

It provides a perfect escape from the Word of God. It seems so satisfying and exciting.

Think good things. Confess Jesus as your Savior. Now you are a Christian, problems all gone and money and health to everyone. But have nothing to do with obeying His Word. Bought into the worldly way. Good things will just happen without obeying and studying the Word. You have become as slave to your flesh.

Go to meetings again and again. They never change you. Don't repent. Go away with a short term fix for your soul.

Give your tithes / offerings to any one who stirs your soul. Some people have practiced and learned the art of õpan handlingö to a fine degree.

Meetings with bright lights and throbbing music that controls your body. You become addicted. Your flesh makes your spirit a slave.

Caught in an euphoria that controls you. When you leave the meeting, you return to your senseø, wanting more.

The love of money has caused a õchurchö separation from its intended purpose. In order to acquire funds, church organizations use professional businesses. They know how to manipulate people for money and how to create the professional looks. Snake oil sales men to glean money by worldly means.

A format that makes you think God has to obey your demands. You follow their plan. Gross me out !!

The true person of God relies upon inspiration from the Holy Spirit. You have to rely on God and His

promises. This adds no sorrow to your life.

The blab it and grab it doctrine prevalent in some õchurchö organizations smacks of witch craft.

Various activities entreat visitors, from concerts to sporting events. Each purported to lead to Jesus.

I wonder if the apostles and saints of old had to use diversions to get people to hear the Word of God ?

They relied on God through the Holy Spirit. Only God can save the spirit of the people. Hello !

The responsibility of obedience to the Word is the only true way to joy.
