

DEDICATION OF THE SIGN COMMEMORATING  
THE BAY OF THE HOLY SPIRIT

By Sanctuary West Director Jerry J. Tomecek 6/14/08

Thank you all for participating in this dedication of the sign commemorating the Bay of the Holy Spirit

Reading the sign;

BAY OF THE HOLY SPIRIT

The earliest outline of a recognizable bay on the northern coast of the Gulf of Mexico was shown on a 1507 map by German cartographer Martin Waldseemuller – the same map to first apply the name "America" to the New World. Alonso Álvarez de Pineda, during a 1519 Spanish expedition seeking a water passage to the Orient through the Gulf, described this harbor and gave it the name Bahía del Espíritu Santo.

Successive Spanish explorers sought this "Holy Grail" along the Gulf Coast, failing until a 1693 expedition concluded that what is now called Mobile Bay was the fabled Bay of the Holy Spirit.

ALABAMA HISTORICAL ASSOCIATION 2008

I would like to thank those who assisted in the purchase, permitting, approval and erection and those who have long prayed for this dedication to God's purpose.

Thank you Spanish Explorers who were diligent to give God the Glory by this authentication of naming the Bay of The Holy Spirit.

With this landmark, commemorating a Godly acknowledgment, we will continue to give God the Glory by Honoring His name and purpose.

Obedience effort is needed to get world wide inclusion on geographical maps for restoring and acceptance of the name, restoring the ordained purpose of God.

The Spanish explorers followed their desire to honor God by naming the "Bahia del Espíritu Santo", being Bay of the Holy Spirit. The Jewish name of "Ruach Hakkodesh" is fitting for this Honoring.

Since the water of the Bay of the Holy Spirit is owned by no one, it is a "first fruit" set aside for God Jehovah. In fact even the international Law of the Sea by the United Nations conference of 1958 says its rules do not apply to "historic bays", again preparing the way for the freedom from mans' influence of God's purpose.

This date of June 14,2008 on the Hebrew calendar is "11 Sivan, 5768" which means "When you kindle".

So now we have freely committed a restoration of His name to Jehovah to kindle the last revival (restoration) in this area, which has been foretold for many years.

A few years ago, three of us went down to the Bay, anointed with oil a small wooden cross and held it in the waves of the bay while praying.

This was shown to me to be the initial planting of the last revival, which would affect the Bay of the Holy Spirit first, then spread into the Gulf and eventually affecting the whole world.

This time and season is ordained by God's favor for the final revival (in-gathering).

I thank God that His mercy endures forever. Praying in **2Ch 7:14** " If my people, who are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. "

By God being restored in peoples hearts and minds we will see the preparation for the return of Christ.

Thank you Yahweh God for your presence, purpose and perfection and for sending the perfect atonement lamb Yeshua Hamashiach who made the path back to you.

Bless our pure obedience and we pray believing for your Son's return

Selah.

Amen
