

## **What is the purpose of our existence, our destiny, our real spiritual value?**

The End Times are here. God $\text{\AA}$ s has provided the Nations with a Spiritual Gate to Honor the Creator. To obey his commandments (Bible) and instructions (Torah) is what He desires. Obedience rather than sacrifice. Honor his Word and Spirit.

The restoration of His Name to the Bay of the Holy Spirit is my quest. I have been doing this since 1991. Hundreds of people have responded to honor His Name. The Name, "Bay of the Holy Spirit" has been seen by many 100's of thousands during the two plus years that the billboard by the USS Battleship Alabama broadcast the name.

On public property ( Hwy 98, Spanish Fort, AL) is an Historic sign giving Honor to God with the Name : Bay of the Holy Spirit :

### Verbiage on sign

=====  
The earliest outline of the recognizable "Bahía del Espíritu Santo (Bay of the Holy Spirit)ö was shown on a 1507 map of Professor Martin Waldseemüller from University of St. Die. The map also was the first to use the name öAmericaö.

During a 1519 expedition by the Spanish Explorer Alonso Alvarez De Pineda, who was seeking a water passage to the Orient through the Gulf of Mexico for the Spanish Government, named and referenced the Bay of the Holy Spirit.

Other Spanish expeditions were seeking the öHoly Grailö (Bay of the Holy Spirit) along the gulf coast. On a 1693 confirming trip, a Spanish expedition, finally concluded that öthe mystery was solved at lastö upon entering and naming the mythical Espíritu Santo..

Admiral Farraguts map of Aug 5, 1864 confirmed the Espíritu Santo name. This historic sign declares the restoration of the name öBay of the Holy Spiritö

=====  
This is the only sign on Public Property in the World, giving Glory to His Holy Spirit

Iöve sent or given many hundreds of license plates indicating "Bay of the Holy Spirit, To God be the Glory". The license plates are essentially all over the world..

## **To the next step in the path to Honoring Jehovah.**

The Holy Spirit commitment is now empowering a group of people. They are seeking the next and final in-gathering..

Prophets, teachers, pastors, evangelists and individuals have been and are being drawn by the Holy Spirit to this area.

This in-gathering is to Honor God. Man will only be a spectator to God's power and purpose. Those who attempt to control this sovereign movement will become of no effect. The miracles and manifestations of this sovereign movement will impact nations, and reach the world.

Some will glorify in His Presence and purpose. Revelations will clear the misconceptions. Chastisement will also come. No one will be able to deny His Glory.

### **Are you a participant or a spectator?**

You can provide assistance to this Godly restoration. You can sit back and watch. How you respond will affect your destiny.

There are three situations in the agenda for this area as revealed by the Holy Spirit..

- 1) **Pontoon boat** to be used as my prayer closet and to minister and disperse collateral material to people along the shore of the Bay of the Holy Spirit. The pontoon is pivotal in spreading the mission and out reach in these end times. Estimated cost: \$30,000 plus dockage \$350 per month.
- 2) **Have the Bay of the Holy Spirit Name placed on world wide maps.** This mapping is a function of the U.S. Department of the Interior. A letter to Department of the Interior via local churches, requesting the Bay of the Holy Spirit Name be restored will be available for signatures. A historic sign on the US 98 ( Spanish Fort, AL) cause way has been installed . It presents the history of the Bay of the Holy Spirit. Estimated cost: \$300,000.for presentation's, ads, collateral material, DVD's etc. for world map effort.
- 3) The **"house on the hill"** is the building people will be drawn to from all over the world to Honor God. This house will be open for intercession and other activities to support the mission of restoration. Ministering to the Jew and Gentle. The headquarters of the Bay of the Holy Spirit is under the auspices of Sanctuary West Church, which was incorporated over 10 years ago as a mission outreach. Estimated Cost \$450,000.

These activities will be used to further Jehovah's plan for the Bay of the Holy Spirit. Preparation continues for the mission of the restoration of the Name, Bay of the Holy Spirit

If you are led to help in any manner, prayer, consistent intercession, time and/or finances, please let me know. Always know and believe that you are greatly blessed, highly favored and deeply loved
