## SEEKER FRIENDLY

The church has morphed from politically correct to seeker friendly..

No truth exists in any form of public information. Every perception is spun to provide no information except the agenda of the Anti - Christ. Lying and misrepresentation is the norm.

At one time America was free. People were open and honest. They didn't try to get over. Not fearful and didn't have to lock themselves up in their homes.

Christians were trained and exhorted to be holy and followed the Bible. America was blessed. It was naive to the ways of the World.

## POLITICAL CONTROL

Politicians found they could have separate rules for themselves. Some became rich by using the tricks of insider information. Succumbing to bribes of interest groups and legislating separate laws gave them illegal power. They disregarded the oath of office and became predatory. Some have attempted to destroy America and its God given liberty. They have done everything to eliminate our foundational religious beliefs.

They force our expenses to increase by removing our capability to produce energy from coal, oil and other natural resources. The list goes on and on. Making us less independent.

Protected by the spin / lies of the media, no truth is provided.

Whole segments of our society have been taught lies of what is going on. Continually are coddled in and promised a better life. This continual lying has become accepted.

Large part of the population are ignorant, and duped into accepting this destruction of American ideals. They vote with no knowledge of the real facts. The administration wants to control and subjugate these

people. They have become complacent and docile. They do not realize their freedom (spiritual and physical) is being taken from them.

The end purpose: make America a godless and third rate nation.

## AMERICA

America, a nation God blessed. We provided a majority of the help, physical and spiritual evangelism for the world. We were God's hands during the major wars. We helped and brought freedom to the oppressed. A truly high calling.

The spirit of the anti-Christ has found a foothold in America., we became complacent. Forgetting our spiritual roots. We have lost our zeal for the presence of our creator. The "church" has lost its direction, and become like the "world of the anti-Christ."

The only way back into God's purpose is repentance. The Word says.. **"2Ch 7:14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."**

## YOUR CHOICE

The choice is yours. Continue to be deceived. Become a slave to the "world", controlled and with no freedom.

OR. Ask God for forgiveness. Change your ways into His purpose. Your life is meant to glorify God.

Be careful, test the words you hear. God's pulse is for you to have a victorious life. Be an overcomer. Proclaim the good news of the Word.

You can avoid the truth just so long. I pray, that you consider and change your life, into the one that God planned for mankind.

Elohim has prepared for this "end time". His patience is coming to an end. The final battles will remove sin

and Christ's victory will be seen.
