TIME OF CLEANSING

The ðchurchö struggles and has no direction. I wonder how long will the purpose of our faith be mis directed?

About 300 AD, Constantine (Roman Emperor) decided that the Jewish nation was becoming too powerful. He purposefully changed the Sabbath to Sunday (Soltias), introduced false gods such as Ishtar , holidays (Christmas [winter soltias], Easter [Astarte], Halloween) to replace the feast days. The ðchurchö has gone along as slaves without sight .

Allowing the spirit of Balaam to pervert. Enticing and demurring to the rest of the society's sin, Disrespect for God's Word and plan.

The sin festers and gains strength. The ðchurchö sticks to its old ways. A form of godliness but no power. Afraid by ignorance. Ignorance is the morphine of the enslaved.

We cannot continue to be in error and support a false religious spirit. It's destroying God's purpose for man.

We must repent and return to the God. If we don't, those who continue in falsehoods will pay the price. Pastors who support activities that are not scriptural will account for their false teachings.

In Revelation, the end times present a cleansing time of major proportions. A time where your faith will be tested. Will it be found wanting?

TORAH

The first five books of the good news (Bible) are the Torah.

The teachings of the Torah are a foreshadowing of the new testament (Brit Chadasha).

Christ said He came to fulfil, not do away with the

commandments. As a peritome people (circumcised in the faith of Yeshua / Jesus) we must retain our purity and the gifts of the Holy Spirit (Ruach Ha Kodesh) least we fall back into sin.

God has gone through all the effort, even sent His Son Jesus as an atonement for sin. To establish a covenant relationship with His creation - Man. To have people to worship and reign.

MEETINGS

To facilitate the full understanding of our roots in the Torah. We are planning to meet periodically and review with understanding the total teaching.

If you are interested let me know and I will seek a place to meet on the eastern shore. If you know of a place where we could meet, that would be helpful.

This will be a opportunity to study and learn the truth that has been lost. Your spiritual growth is the purpose of your understanding of the total Word.

SHALOM

A prudent man foresees the difficulties ahead and prepares for them; The simpleton goes blindly on and suffers the consequences. Proverbs 22:3
