### CHURCH LOBBY

Separated into self interest groups and then self promote.

Drinking spiritual kool aid. Buying into images of fleshly directions. Seek love of mammon. Follow the world and it's distractions, so look like the world

Not concerned with holiness. Stir up the feel good praises. Convinced, because the feeling is good, that all please God. In reality, this is a major distraction and perversion away from God's heart. It reinforces the Adamic nature of man. Seeking, never coming to the real Shalom of God.

Their noise (clanging of cymbals) covers and overwhelms Elohim's presence. Sure their actions are correct. Never asking the Holy Spirit for direction.

Organizations of over lapping activities with no purpose but self enhancement. Directed as a corporation with lobbyists. Need corporate approval and direction. Run by committees whose entire purpose is self preservation. Generating more followers of like ambitions. A watered down, ineffective bloated self righteous gospel. Should it be called? A " self effacing lobby compendium"

Some personalities have established followers who continually support the activities. Their soul is never satisfied, always teased into wanting more. Attempting to approach a meaning full Spiritual walk is couched in gibberish and blind alleys. God given authority of the true believer is avoided. Convinced that only they know the

answer. They are careful not to allow anyone to ever come into the authority except the pastor. (only one they believe can hear God for themselves)..

### REMNANT OF THE REMNANT

The world gleefully sits back and lets the antichrist spirit manifest . It placates and drugs the people into a lethergy, complacency and death.

God always has His plan. It is a strong foundation of believers.

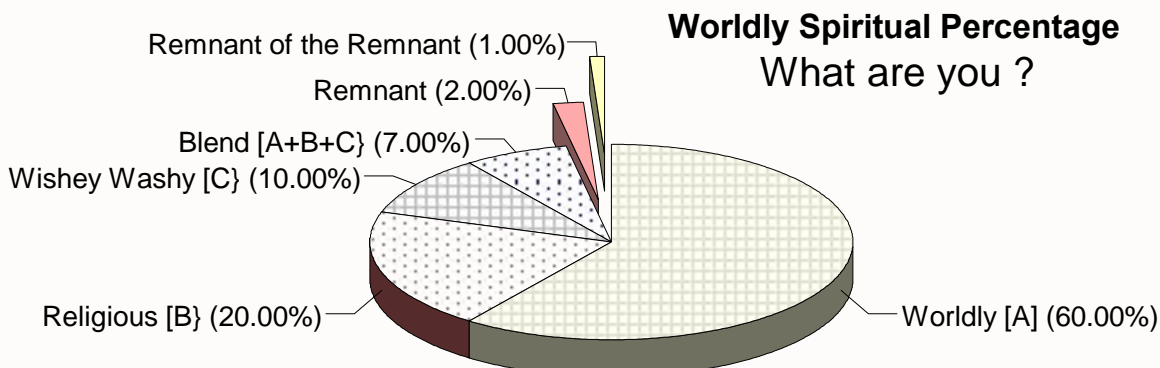

More than conquers, *Remnant of the Remnant*.

They walk and do the Fathers will. No drummed up pap of distortion and love of mammon.

As with the Biblical People they all were of the remnant. Those who heard the Voice of Jehovah, went the last mile and were prepared. They were the Remnant of the Remnant.

Below is the demographic picture of the Worlds population, as I perceive it. Less then 1% of the total population will ever see God.

**Pray for the Peace of Jerusalem**

Worldly: Self Interest, don't know God or want to.  
 Religious: Self Proclaiming, self doctrine, mixed with the Word  
 Wishey Washee: Part in the Word, part in the world  
 Blend: Parts of A+B+C  
 Remnant: Believer  
 Remnant of the Remnant: Those doing the total will of God.
