## Parashah en Español, [\[Aquí\]](#).

Leviticus 19:1-20:27

Ezekiel 20:2-20

Romans 13:8-10

Galatians 5:13-16

The teaching of Kedoshim is a continuation from the last study Acharei. Much of the background material for this study is in Acharei and may be found at [www.sheepfoldgleanings.com](http://www.sheepfoldgleanings.com).

We are called a royal priesthood and a holy nation (Exodus 19:5-6; 1 Peter 2:9). Knowing the difference between clean and unclean, holy and unholy is imperative. This teaching is for those who are believers in the God of Abraham, Isaac and Jacob and who are learning to walk in His ways. Kedoshim is designed to bring holiness in the lives of those who are responding to the call of Yeshua, the Bridegroom. Leviticus is sound foundational teachings that improves upon the experience of our testimony in Yeshua and His Spirit life. They are designed to give us maximum life with Yeshua. Our desire is to do as Paul exhorted us in Philipians:

Not that I have already attained, or am already perfected; but I press on *[to wholeness]*, that I may lay hold of that for which Christ Jesus/Yeshua Ha Mashiach has also laid hold of me. Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things, which are behind, and reaching forward to those things, which are ahead, I press toward the goal for the prize of the upward call of God in Christ Jesus/Yeshua Ha Mashiach. Therefore let us, as many as are mature, have this mind; and if in anything you think otherwise, Yahweh will reveal even this to you. Nevertheless, to the degree that we have already attained, let us walk by the same rule, let us be of the same mind. Brethren, join in following my example, and note those who so walk, as you have us for a pattern (Philippians 3:12-17).

## Honor Your Mother and Father and Keep My Sabbath

Every one of you shall **revere his mother and his father, and keep My Sabbaths**: I am Yahweh your God (Leviticus 19:3).

Two of the foremost crucial steps in the walk of sanctification leading to a life of holiness are respect for parents and observance of Yahweh's Sabbaths.

On a personal note, I was brought up in an alcoholic home and had plenty of justification and bitterness to prevent me from honoring my parents. My perspective of the world and family life growing up was through their world and my heart became hardened. My parents were generous materially, but failed to show love in areas that were so desperately essential. Innocently I started to walk out the generational curses that took me to wrong places for love. I entered marriage early, searching for this love I desired so deeply. Within three years I was homeless with an eighteen-month-old son to care for.

After many years as a single parent, I remarried, looking for this deep love plus a stable home for my son who was then six. It was at this time that Yahweh entered my life and for the first time an indescribable love and peace entered my heart. I began to grow on His foundation of true love by studying His Word and allowing it to nurture this *gift* of love that guided me each day.

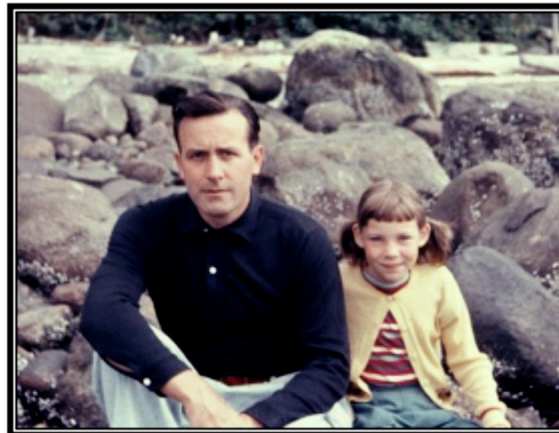

Years later, during my prayer time, Yahweh asked me to *honor* my parents. This surprised me as I thought I loved them, but Yahweh showed me that in my heart I kept them at a distance due to my judgment of their lifestyle and the bitterroot I had continued to hold against them. The truth was they were very hurting people and needed Yahweh's love as much as I did. My judgment of them was apparent. This caused alienation, which was not according to Yahweh's plan. He forgave me, now it was time to allow Him to heal my broken heart so that I might forgive my parents. As a result of His gentle conviction on my heart, I phoned my Mom and asked her to forgive *me* for *my* rebellious youth and how *I* treated them. In my eyes I was just trying to survive those years, but Yahweh directed me to share and I obeyed. Little did I know this would change our lives and the lives of my parents forever. As I spoke the words of forgiveness to my Mom I heard her weeping on the other end of the phone. My act of forgiveness toward her was unconditional; she never knew what it was like for me to grow up under the alcoholic conditions in our family. When I heard her weeping on the phone it

was as if Yahweh took what I had lived through all those years and washed my bitter heart clean. I then truly found myself *loving* my Mom and Dad.

Shortly after, my Mom was faced with a divorce. Her health was also quickly deteriorating due to the years of abuse. My husband and I decided to sell our home and soon found a better residence with a garden suite for my Mom and invited her to live with us. Even though Mom never fully recovered from the effects of alcohol in her life, those last years with her were joyful family times. I gained back the Mom I remembered as a little girl, and best of all, she recognized her need for a Savior and gave her life to Yeshua. Mom always looked forward to Friday night when Shabbat would start and often had tears in her eyes when she prayed the mother's prayer over her daughter. A year later, Mom died in the arms of her family, forgiving my Dad who was also at her bedside.

This last summer, on July 18, 2010 my father died at the age of ninety-one. I had the privilege of honoring my Father at his service and wish to share this part with you,

...I am very thankful to my Dad for providing a great environment to grow up in; but like many families we too had our share of difficulties. It had not always been sunshine; however I am very grateful there has been restoration and healing. It came about a few years after Mom's passing when I knew I needed to practice the principle of forgiveness. Through family circumstances I knew I was missing a relationship with my Father and that unforgiveness on my part kept us from spending time with each other. With God's conviction encouraging me, I took the big step to get to know my father personally, not in a superficial way, but with real depth of sincerity; spending one on one time with him. This could only happen if forgiveness was evident in my life. Without real forgiveness in my heart all we could expect was a surface relationship. I wanted more.

So, I set about taking my Dad on dates. It was awkward at first but in faith I would pick him up each week and take him out. He never knew where we were going; it was always a surprise. The dates turned out to be a great success and each week he looked forward to them with great excitement. Some days he would find himself on top of mountain hiking and having a picnic. Another time we would cross the border into the USA and have lunch by the ocean, walking the beach, picking out shells and skipping stones on the water. We'd call those our international trips. And at other times, just having lunch on the deck in the sunshine watching the boats go by - that was his favorite. Whatever the date, big or small, it was always a pleasure and a joy to be with him.

Over the years that Dad and I got to know each other, we spoke of the difficulties and joys in our past and forgave where needed. He made peace with His Maker and forgiveness entered his life, as it was in mine. Together, we shared depths of heart many do not experience in their lives. The renewed relationship between father and daughter took on a life of its own and transcended any past difficulties - we now lived for the *dates!* This went on many years but in this last year there was a role reversal: I was no longer taking my Father on dates, but he taking me.

During the spring and summer of this last year, my Father's health had been declining due to asbestos poisoning he picked up while serving on a ship in the Canadian Navy during the war. In July the doctors admitted him for a couple of day's observation. We were not expecting him to pass away at that time. On the last day I took his hands in mine and shared my heart with him, thanking him; moments later he was with Yeshua in such peace.

A blessed ending to a blessed man; one who cared much, gave much and loved much. We will remember you always Dad. You passed on a heritage of courage and forgiveness now deeply rooted in this family, to be lived into the next generations because you dared to love.

Today, I live without regrets in respect to my parents, all because Yahweh asked me to make a call that changed our lives forever. His plans are higher than our plans.

## The Sabbath

If because of the Sabbath, you turn your foot from doing your own pleasure on My holy day, and call the Sabbath a delight, the holy day of Yahweh honorable, and shall honor it, desisting from your own ways, from seeking your own pleasure, and speaking your

own word, then you will take delight in Yahweh, and *I will make you ride on the heights of the earth; and I will feed you with the heritage of Jacob your father*, for the mouth of Yahweh has spoken (Isaiah 58:13-14).

We may not fully understand a commandment but it is the obedience to it that brings a flood of blessings and revelations. Righteousness and faith come from obeying Yahweh's teaching and instructions, His Torah. It is doing His commandments that bring holiness in our lives. When we obey by putting His Word into daily practice, we walk in His Kingdom. Sabbath is not just those one or two hours worshipping and fellowshiping with others, but lasts a whole twenty-four *joyous* hours. What we do with our Sabbath will affect the anointing for the rest of our days and have great influence on the family. May we use the time He gives us to celebrate with Him wisely and purposefully that we might bear fruit that glorifies Him and is evident to all.

### Do not reap the corners

Do not reap to the corners of the fields or gather a second time the grape harvest or grapes dropped after picking. Leave them for the poor and alien (Leviticus 19:9-10).

Today, not many of us have farms or fields to plow but all of us have abundance in our lives to share with others, especially the poor among us and the fatherless, widows and orphans. If we followed this commandment today we would not have need for a social welfare system, and dignity and honor would be restored among the people and in the land.

### Laws against Crooked Speech: Leviticus 19:11-18

Stealing, lying, deceit and swearing falsely to one another profanes Yahweh's name. Defrauding, robbing, holding back wages, cursing the deaf (physically or spiritually), perverting justice, showing partiality, speaking slander, endangering a neighbor, and hating our brother or seeking revenge makes our neighbor stumble and perverts Yahweh's name. How? Yahweh is teaching us that every person is morally responsible to his or her fellow man, both individually and as part of the nation. If we tarnish ourselves through dishonesty and lies, we are profaning the Name that we bear and we are undermining the love of Yahweh for whom we are to be messengers. Gossip, slander or sharing behind another's back is called *lashon hara* in Hebrew. This harms a neighbor's reputation. Taking pleasure in belittling another person is as shedding his blood.

The Sages say evil talk kills three people: the speaker, the listener, and the one who is spoken of (Talmud, Erachin 15a).

A great Jewish teacher, Sefer Chofetz Chaim, in the nineteenth century, spent his whole life teaching on the effects of our speech to one another. Daily we bless or curse our fellow man; this begins in our thoughts and in the attitudes of our hearts, which then flows through our speech. The tongue unleashes caustic defilement when used to let loose *lashon hara* against people. In contrast, positive speech releases a flow by blessing our fellow man. Chofetz Chaim taught how to love your neighbor as yourself – through applying Torah principles. This concept is illustrated through the first offering mentioned in Leviticus chapter one called the Olah offering. This offering teaches us how to "elevate" our brother – at all times – higher than our self. And, yes, at times this will be a sacrifice...of praise!

James 3:6 states, "The tongue is a fire, a world of iniquity. The tongue is so set among our members that it defiles the whole body, and sets on fire the course of nature; and it is set on fire by hell."

### Leviticus 19:18 The Second Greatest Commandment

Love your neighbor as yourself (Leviticus 19:18).

In John 13:34 to 15:17 John quoted Yeshua teaching the people *how* to "love your neighbor as yourself." Yeshua quoted Leviticus 19:18 when He gave this "new" commandment to them. It was not really a *new* commandment but one that Yeshua was making new to them *again*. Yeshua's disciples would have known the scriptures from an early age and would have recognized Leviticus 19:18. He was teaching them *what* this love was. Love is when people not only talk about Yahweh's kingdom but they walk in Yeshua's commandments and keep them as a *lifestyle*, revealing a walk of redemption and consecration. Anyone can say they have the emotion of love, but if there is no physical action to their words then their words are deceptive. "Whoever has my commands and obeys them, he is the one who loves me" (John 14:21).

Yeshua's commandments were spoken to us at Mount Sinai (John 5:46-47; Deuteronomy 29:14-15). These commandments in Leviticus are Yeshua's commandments to us today. "You are my friends if you do what *I command*" (John 15:14). When Yeshua said, "This is my command: Love each other," He was revealing Himself as Yahweh in the flesh to us. Where two or more are gathered in *His Name*, Yeshua is in their midst (Matthew 18:20). When we elevate our neighbor, it is Yeshua in our midst who is elevated. (The word *new* is

Strong's Greek word #2537 *kainos*, meaning *re*-newed not *brand* new).

## Leviticus 19:19 The Teaching On Clean And Unclean, Holy And Unholy

Keep my decrees. Do not mate different kinds of animals. Do not plant your field with two kinds of seeds. Do not wear clothing woven of two kinds of material.

### Law Regarding Mixing Foods:

All Yahweh's laws that govern the earth were put into effect at Creation. The laws against mixing Yahweh's seed (plant or animal) are called *kilayim* in Hebrew. Mating different animal species, planting fields with genetically altered seed and wearing clothing woven with two kinds of material (*shaatnez*) are three choices that oppose Yahweh's order on the earth and that corrupt His design. Hybridizing what Yahweh made is forbidden in Leviticus 19. Today hybridizing has become a common and acceptable practice. There is order in Yahweh's design, and man's "improving" upon it will bring disorder in our lives and in the environment He has given us to look after.

Clean and unclean practices do not mix. Today, because of the unclean practice of mixing dead animal carcasses in with feed grain for animals and birds, we have diseases like swine and avian (bird) flu, SARS, anthrax and mad cow disease. These "mixed" animal products end up on dinner tables across America and worldwide. Swine flu and other related diseases have roots in pig byproducts. Other diseases originating from unclean practices in regards to animals are small pox, tuberculosis, malaria, measles, cholera and AIDS. Hybridizing grains and foods, something Yahweh warned us not to do, continue to add to the list of growing diseases. Because of our disobedience and/or innocent lack of knowledge of His Word and His principles, plagues have been rampant throughout the world and have caused millions of deaths.

If you *do not* carefully observe all the words of this law that are written in this book, that you may fear this glorious and awesome name, Yahweh your Elohim, "then Yahweh will bring upon you and your descendants extraordinary plagues -- great and prolonged plagues -- and serious and prolonged sicknesses. "Moreover He will bring back on you all the diseases of Egypt, of which you were afraid, and they shall cling to you. "Also every sickness and every plague, which *is* not written in this Book of the Law, will Yahweh bring upon you until you are destroyed. You shall be left few in number, whereas you were as the stars of heaven in multitude, because you would not obey the voice of Yahweh your Elohim (Deuteronomy 28:58-62).

Many people are returning back to Yahweh's Word and searching the scriptures to see what His ways for a cleaner and healthier *lifestyle* are. Understanding what God considers to be edible food for us and learning good farming practices are two very important biblical principles necessary for the perfect balance of our health and environment today.

Now it shall come to pass, if you diligently obey the voice of Yahweh your Elohim, to observe carefully all His commandments which I command you today, that Yahweh your Elohim will set you high above all nations of the earth. And all these blessings shall come upon you and overtake you, because you obey the voice of Yahweh your Elohim: Yahweh will establish you as a holy people to Himself, just as He has sworn to you, if you keep the commandments of Yahweh your Elohim and walk in His ways (Deuteronomy 28:1,2, 9).

### Law Regarding Mixing Fabrics:

Wearing appropriate fabric is also important especially next to the skin. Yahweh's Word says to use natural fibers with no mixture. Mixing a cool fabric (cotton/linen) and a warm fabric (wool) together, where one is to cool the skin and the other is to keep the skin warm, can cause problems for our body. Consider the sexual revolution in the 60's and 70's. Polyester became the hottest fabric on the market. Slinky looks for shirts, dresses and undergarments became very popular. Fabric like this increased the body temperature, encouraging a provocative desire to rise up as well.

These various laws in Leviticus 19 are also designed to protect and at the same time reveal the condition of our hearts. The question is will we be obedient or rebellious toward the God we say we serve? Does He have full fellowship with us in all matters of our life? Or do we choose the "shopping cart experience" and walk down the aisles of God's kingdom picking and choosing which commandments we want to keep according to what we believe is right for our lives. These mixing/*kilayim* laws are made for the sanctification of our heart. They are not only about the physical mixing but more for the things we mix pertaining to the heart called a compromised lifestyle. Guarding over our *response* to these instructions is what keeps our hearts clean before a *holy* God.

### The Law of the Trees:

When you enter the land and plant any kind of fruit trees regard its fruit as forbidden. For three years you are to consider it forbidden, it must not be eaten. In the fourth year all its fruit will be holy, an offering of praise to Yahweh. But in the fifth year you may eat its fruit. In this way your harvest will be increased (Leviticus 19:23-25).

Trees often correspond to people in scripture. It takes approximately three and a half years, the length of Yeshua's ministry on earth, to walk out a redeemed lifestyle by progressive revelation before we start to see true fruit developing in our lives. During this time we learn to lay a good foundation of obedience to Yahweh's teaching and instruction through our obedience. As temples of the living God, we are to offer freewill offerings of praise, encouragement and affirmation to God, and others. Likewise, our hearts become convicted to choose wisely between clean and unclean, holy and unholy and keep Sabbath and the feast days. Glorifying Yeshua in this brings an abundance of fruit and increase in our lives through the presence of the Spirit of Yeshua, as well as an ingathering and harvest of souls. It is all for the glory of Yahweh! (Isaiah 55:11; Mark 8:24)

The *priesthood* had a five-year internship before they were able to start their duties in the temple (1 Chronicles 23:24). This was fashioned after Yahweh's mixing/*kilayim* laws. Many of us remember what our first year in Torah looked like. Opening our mouths was like a "mixed" bag! After three years of Torah study our conduct became more stable, and we pursued a more mature/obedient lifestyle; and learned to overcome/surrender the old life (sinful nature) within ourselves. Those who studied through *five* torah cycles began to lead and teach others. Their fruit had become *holy* and they were able to tend those in their *green* years. This tree Yeshua is describing in Leviticus is our walk through the progressive revelation of Torah that leads us into a *holy* lifestyle.

### Laws against Witchcraft:

Do not practice divination or sorcery. Do not cut the hair at the sides of your head or clip off the edges of your beard, cut your bodies for the dead or put tattoo marks on yourselves or give your daughters to prostitution (Leviticus 19:27-29).

The purpose of this list is to reveal occult origins and practices, which were just as prevalent in that day as they are so widespread today. The people coming to the God of Abraham, Isaac and Jacob needed to understand what are clean verses unclean practices before Yahweh. Today tattoos are the fad, as is cutting the body by means of piercings in unusual places of the body. Some pagan customs have become so acceptable today that many do not realize they are from pagan practices. Our skin represents the skin of a Torah scroll. To mark it with permanent stains or cut it is to render the Torah scroll unclean, thus bringing defilement to the temple and profaning Yahweh's Name.

Other than for a Nazarite vow, men are not to shave their whole heads, and therefore conceal the borders of their beards, as this is originally derived from pagan occult practices. Yahweh asks us not to do this.

Outside of a Nazarite vow, the shaving of the whole head, and thus the concealment of the borders of the beard, emerged from occult practices. Yahweh asks us not to do this.

### Various Laws against Mixing:

Observe my Sabbaths and have reverence for my sanctuary (Leviticus 19:30).

*Rise in the presence of the aged, showing respect for the elderly (Leviticus 19:32)!*

"When an alien lives with you in your land, do not mistreat him, *treat him as a native born*" (Leviticus 19:33-34). Today as Ephraim is returning to the God of their forefathers the term "gentile" is inappropriate and non-scriptural. All twelve tribes with their companions are coming home. Yahweh's Word *will* be fulfilled as He spoke through His prophets long ago. Who can truthfully claim their ancestry today? All records were destroyed with the Temple. Living outside the land today, are we not all aliens and strangers? (Exodus 12:48-49).

"Do not use dishonest standards when measuring length, weight or quantity. Use honest scales and honest weights" (Leviticus 19:35-36). This has as much to do with people as it does with commerce and trade. Favoring one person over the other by a standard of looks, status or position is using a dishonest scale. Prejudice to color, race or creed is the dishonest scale of racism. Devaluing our neighbor because of lack or gain is a dishonest scale. Favoring one Israelite tribe over the other is a dishonest scale. This is *lashon hara* on a deeper level.

Do not judge, and you will not be judged. Do not condemn, and you will not be condemned. Forgive, and you will be forgiven. Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with

the measure you use, it will be measured to you (Luke 6:37-38 ref. Isaiah 65:6-7).

## Guard over our Children

Any Israelite or any alien living in Israel who gives any of his children to Molech must be put to death, he has defiled my sanctuary and profaned my holy name (Leviticus 20:1-5).

Yahweh is warning us a *second time* not to hand our children over to occult practices or to Molech (Leviticus 18:21). In the last study Acharei we learned about the pervasiveness of abortion in the United States. As parents, we are the guardians of Yahweh's children that He has gifted us with. We are to teach them Yahweh's ways, protect and cover them while they are growing up under our care. Government-run schools are a relatively new addition in history. Originally schools and colleges were biblically based and the curriculum or textbook used was the Bible. The standard was Yahweh and He was the center of all activity.

Over time these institutions become secular with much worldly influence. Today the God of Abraham, Isaac and Jacob is not allowed in schools. *Prayer* use to start the morning but today many children instead begin their school day being screened for weapons and drugs. Socially correct conduct like sexual behavior is being encouraged while Yahweh's morals standards are blatantly ignored. Home schooling is on the rise, growing steadily, especially over the last ten years, as families are opting out of the Molech system and bringing their children home. Families are being strengthened as parents participate in their children's *whole* education and guide what they watch, read and what influences they are around, all based on the Word of Yahweh.

## Holy Living:

Consecrate yourselves and be holy, because I am Yahweh your Elohim. Keep my decrees and follow them. I am Yahweh who makes you holy (Leviticus 20:7-8).

In Leviticus 20:9-21 Yahweh now again goes over the rules for holy living and what happens when His people disobey His message. He is as faithful to the curses as He is to the blessings. Obedience brings the blessings; disobedience brings the curses. We need to encourage one another and uphold each other with the vision Yahweh has put before us for our marriages and our children, our families, our neighbors and for the Nations.

Where there is no vision, the people perish: but he that keepeth the law, happy is he (Proverbs 29:18).

## These next verses hold the key to all of Leviticus

### Leviticus 20:22-26

Keep all my decrees and laws and follow them, so that the land where I am bringing you to live may not vomit you out. You must not live according to the customs of the nations I am going to drive out before you. Because they did all these things, I abhorred them. But I said to you, "You will possess their land; I will give it to you as an inheritance, a land flowing with milk and honey." I am Yahweh our Elohim, who has set you apart from the nations. ***You must "therefore" make a distinction between clean and unclean animals and between unclean and clean birds. Do not defile yourselves by any animal or bird or anything that moves along the ground-- those which I have set apart as unclean for you.*** You are to be holy to me because I, Yahweh, am holy, and I have set you apart from the nations to be my own.

A holy life style depends on not mixing clean with unclean practices physically and spiritually.

Pursue peace with all people, and holiness, without which no one will see the Lord (Hebrews 12:14).

## Yeshua's Priesthood – The Bride

The priesthood of Yeshua rests on what we put into our "temples" (physically and spiritually) and how we conduct ourselves as this reflects the condition of our hearts. What we put into our bodies, starting with the foods we eat or what our minds think on, can defile us and hence govern and reveal the way we think and act. Mixing the unclean with the clean can bring a level of compromise into our hearts that will cause defilement and a breakdown between Yahweh and ourselves, rendering us unclean in His sight. Our prayer life, worship, communion, vision and personal walk with Yahweh may lose His godly order in our hearts and become distorted, separating us from Him. There will always be a war or conflict going on inside us, leaving room for rebellion to enter and mislead our hearts. ***We cannot mix.*** We are called to separate from the ways of the nations around us and not defile ourselves by their ways. It is we who cause our own separation from Yahweh when we bring contamination into Yahweh's camp. Our choice of "food" we eat (both physical

and spiritual) can lead to lack and poverty in our lives in either one or both areas.

My people are destroyed for lack of knowledge. Because they rejected knowledge, I also reject you as my priests: because you have ignored the law of your God, I also will ignore your children (Hosea 4:6).

We have salvation and redemption through Yeshua. He has bridged the gap for our lack of understanding. Now that we have read and studied what separates us from Yahweh and causes defilement in us, it is up to us to reject that which adversely affects our lives. This walk of redemption is not for salvation purposes but for consecration and sanctification. True repentance from the heart is a sweet aroma to Yahweh. There is no condemnation for those who walk after the Spirit and not after the flesh (Romans 8:1). May we be a people who return wholeheartedly to Yeshua who loved us so deeply that He died for ALL our sins and washed us clean.

This is what Yahweh says: 'Heaven is my throne, and the earth is my footstool. Where is the house you will build for me? Where will my resting place be? Has not my hand made all these things, and so they came into being?' declares Yahweh. 'This is the one I esteem: he who is humble and contrite in spirit, and trembles at my word' (Isaiah 66:1-2).
