THE WORLD REPEATS

I watched a 1940 movie called " His Girl Friday " with Cary Grant and Rosalind Russell. I saw the greed, lying, misdirection, confusion, panic & bullying, led by a ego manic. He convinces each person. In a moment, he changes to the opposite purpose. He portrays an all knowing, potent dictator.

I see this being played out in America today. The controlling Antichrist spirit has been prepared for generations. Small lies continually presented. A lack of awareness by the population. The scene has been set.

The population is easily lead when there is no Elohim for direction. The self-will affords a person opportunity to do what ever öfeelsö good. No concern for the eventual outcome. Seeking to pile up more stuff for their gratification. Never fulfilled or at peace. They become angry. Their flesh controls their emotions and soul.

öGet overö people take advantage of ignorance in others. This increases their own personal self esteem. The result requires more attention and more results.

They do not allow any opinion, except their corrupted view . This is öpolitically correctö.

The deception was aided by the media (press). It's prejudice is to control the population. Only present a warped partial truth. It forces a false conclusion.

CHURCH WORLD REVISITED

God's original choice was the Jewish nation.

They chose fleshly kings to lead them.

They ignored their own heritage, to be accepted by the world. They denied Jesus as the Messiah.

History, since then, shows Elohim protected them. He gave them time to repent and return to Him.

Today, we see the Bible being opened in dramatic steps. All leads to the saving of the Jewish nation.

Our obligation is to pray for the Shalom of the Jewish people. To act in accord with the avowed Word.

AMERICA RESPONSE.

In America and the World are mixing of the profane and the Holy. We take the Word and twist it to fulfill the apostate church's fleshly soul..

We add to and take away from the Word. Book of Revelation tells us not to do either.

Without equivocation. It is obvious. Self directed edicts, concerning the Word, have been twisted to support the love of mammon.

öBring your tithes into the store house. A place where they don't rotö. Return a portion of what God has given you

Giving your tithes to a person or organization using them for soulish purposes deceives you.

It is your good stewardship to give where God directs you.

Do not give to Shepherds who believe only they can do God's will with the tithe or offering. You are not able to do God's will for yourself ?!

It is up to you to seek the direction of the Holy Spirit for your offerings. His sheep know His voice.

The öchurch ö has been taught by people who mouth someone else's thoughts. Preaching / teaching from a script from the home office.

They don't seek God but parrot others. The message, even though originally correct, becomes perverted into religious- self righteous dogma.

VOICES

Many voices. Each saying theirs is the way. Do this. Do that.

Amongst all this noise there is some truth. You have to weed out the deception. Rightly dividing God's Word, studying, showing self approved to God.

Return to God. A covenant relationship is the only manner to gain full understanding of your purpose.

Your life walk is only correct as you eliminate your personal desires. Become a true servant of Elohim.

Hearing and doing His Word.

Pray for the Peace of Jerusalem.
