MIRACLES

INTRODUCTION

The following is a recap of how God healed, gave wisdom and miracles in my life, defeating the plan of Satan.

It is to encourage you in your Christian walk, and provide presence to witness unto the lost.

TESTIMONY

This testimony began on Dec. 7, 2011

Without warning, I was unable to eat, drink or go to the bathroom for two weeks. My body started to consume itself. I lost 18 pounds during the two weeks.

I thought I would return to normal. I waited for healing. My bride continually incited. So I went to Emergency at Thomas Hospital. They x-rayed & cat-scanned me. A 3 inch diameter kidney stone was found. It had shut down my entire bodily functions. The doctor removed the stone via laser.

The unusual experience began. I spent 7 days and nights in continual medical tests every two hours. I trailed an IV stand to my bathroom visits.

Day and night my room became my hiding place. A prayer room, removed from the normal pressures and concerns. Visits from my bride made the isolation bearable.

I never had any fear for my life or health. The truth of the Word is my foundation.

Various nurses and health persons ministered to me. I had the opportunity to testify of my ministry. The restoration of the name of the Bay of the Holy Spirit. Some knew, but the majority had no knowledge of the original name. Some of these people were born in Fairhope.

I had a field white for harvest. To bring the Word. I did take the opportunity to do so.

More than once I was awoken with a Holy Presence. He made me aware of deep and far-reaching thoughts and revelations from Abba.

The intensity and Holy aspects of the conversations prepared me for the future. The reality of God's presence and purpose were burned into my spirit. The reality was so strong, I can't repeat it. Only bits and segments have I been able to recount in writing.

The reality of God's purpose and presence have changed my walk for His purpose.

All the dreams and visions God has given over the last 30 years were confirmed. I now have been shown how to achieve His purpose.

Restoration of mankind, repentance back into covenant with Abba has been the plan of the Father since before the beginning.

Your future depends on what you do. Fulfill His destiny for yourself.

Know and live the Word of Elohim.

Overcoming life is His plan for you. He brought me back to life in Him. He wants that for you, too.

EPILOG

Prior to Dec, 7 my kidney doctor was preparing me for dialysis. Based upon a chemical reading of 2.8 (Creatin). The chemical test was made after stone removal and found to be reduced by 30%. Therefore I have been taken off the dialysis alert. Even the doctor was unable to explain the reduction. A miracle preparing me for the next step of faith.
