WHY THE BAY OF THE HOLY SPIRIT?

God is infinite wisdom and mercy. He knew what man would do through out the ages.

He made provision for the covenant relationship to be restored as He once enjoyed with Adam.

Relationship was the purpose of His creation. He could fellowship with and enjoy His creation. His creation would be blessed.

Man has caused God's Word to be watered down and mis applied.

Through out the years God has provided a path back to Him. The Jewish nation rebelled against His Son Jesus, God warned His chosen people . He allowed them the opportunity back into a covenant with Him.

He blessed America. We stood with Israel for many years and were blessed.

God is stepping into His next purpose. Weaning the world's people off their false religions, love of mammon and self reliance.

He is doing it by allowing chaos in their systems. They will deteriorate and collapse. This will require that they either turn back to Him and His covenant or perish by their own devices.

PURGING

The Holy Spirit is going to purge the stain of slavery and debauchery from this area.. Preparation for His Last Ingathering is beginning . It will occur here in the Bay area.

His purging make you aware of your missing the mark (sin) .

Sometimes difficult. Always for your benefit

COVENANT RELATIONSHIP

In a covenant relationship, both parties agree for commitment to the other party. Support in any circumstance and to bless the other party.

A very solemn and eternal agreement.

You return to His covenant in the same manner you accepted Jesus sacrifice- Faith.

Talking, asking, worshiping . Seek His Word for what ever circumstance you are in. Thanking and honoring Him. Obey His urging. Purge yourself from any circumstance of sin. Any thing that puts itself ahead of God in your life is sin.

Become a true obedient servant to His Word..

PREPARATION FOR THE LAST REVIVAL

There are a few more steps of preparation:

1. Pontoon boat to be used as my prayer closet and to minister and disperse collateral material to people along the shore of the Bay of the Holy Spirit

2. Have the Bay of the Holy Spirit Name placed on world wide maps denoting Bay of the Holy Spirit.

3 " House on the hill" is the building people will be drawn to from all over the world to Honor God .

During the preparation there will be an outpouring of the Holy Spirit. He is preparing the ground and people for the influx who will be attending the In-Gathering.

Five million people a day will be hearing the Word. The covenant and respond in line with God's purpose

People who remain faithful to the feast days.
Example: whoever provided the American
Sukkot offering at the sign. A revelation of His
commitment in covenant.

Circumstances are accelerating, His purpose is
becoming obvious and pervasive.

The spiritual fakes, half hearted and self serving
people are being exposed and put to no affect.

Time is very short.

Return to Elohim in a covenant relationship.

Shalom
