"Prophet in Overalls #26- Part 3"

TIME TO CLEAN UP OUR ACT - DESTROY RACISM

Mobile has been cursed. It was a terminal for slavery. From the first boat to the last delivery of importation into the united states.

The national president created laws to cancel racism / slavery. Godly inspired men such as Martin L. King tore down barriers still enslaving the black & white community.

The sin in hearts of some people are still trapped from the sin of their forefathers.

Unable to break through or not wanting to be clean and free.

This horrendous burden keeps all in its grasp.

God considers this circumstance a sin. This separation from Him is not His purpose.

He sent His son Jesus for all His creation to be free.

RESULT OF RACISM AND ITS EFFECTS.

The devils mission is to:

Kill: Our being, our life.

Steal: Our heritage and future

Destroy: Our God given freedom and family.

Satan does that by direct and indirect means. He infects our souls with the anti-christ spirit.

Coercing people groups (black, white, yellow, etc.) to fight each other. Even having a civil war that destroyed entire families.

An attitude of voting for a man because of his skin color is racism, too.

Satan put in peoples minds to be õgodö over other people. In the extreme is **ABORTION**. Denying God, Jesus and the Holy Spirit is the first most abhorrent activity..

The Spirit of Racism has found a home in õMardi Grasö. It encourages drunken lavishness behavior. Tossing throws down to people, begging for õfreeö candy and trinkets.

The masks on the float people hide their identities. The slave masters hid behind the corrupt laws.

The love of mammon is eventually destroying our heritage. We allow the õgovernmentö to create a welfare state. The result is that honoring God and his commands are now replaced by bowing

down to a government edict. Essentially, going against the WORD.

Slavery fomented by the love of mammon, has spread through out the world. It touches all people directly or indirectly.

Therefore, the cleansing will affect the entire world.

CAPABILITY

The Holy Spirit is more than capable of changing people. They learn the truth to set them free.

We can be the hands of God in this effort.

There are many paths to the solution. Each requires a pure heart and obedience.

Every person knows in their spirit that reconciliation with other people is needed. The implementation will require that you die to your desires, and listen to the Holy Spirit.

Get rid of the things that hold you back from God's purpose in this last In-Gathering.

Not just fleshly distractions and physical strongholds, but more important the spiritual strong holds.

THE HOLY SPIRITS GIFTS ARE:

1Co 12:8 For to one is given by the Spirit the word of wisdom; to another the word of knowledge by the same Spirit;

1Co 12:9 To another faith by the same Spirit; to another the gifts of healing by the same Spirit;

1Co 12:10 To another the working of miracles; to another prophecy; to another discerning of spirits; to another *divers* kinds of tongues; to

another the interpretation of tongues:

You have an opportunity to allow these gifts to operate in your life without reservation.

Real easy- Just DIE TO SELF.

You will be surprised as the Holy Spirit enters into your being, It's fulfilling and rewarding beyond words as His presence comes. All for your benefit.

THE HOLY SPIRITS INPUT

The Holy Spirit's affect has started to be restored. A commemorative sign by the bay recognizes His name. This is a spiritual gate which will be used for the redemption of past community sins.

God's Holy Spirit is here to do the Fathers work. Restoring people back to a covenant relationship.

People reaching out to one another. Christ's love is His covenant with us.

Time to die to ones own desire. Do only the Fathers will.

The Holy Spirit is now honored and His name partially restored. We must fulfill our destiny in His plan. IT IS HIS PLAN to restore us into a covenant relationship.

The next step is up to you.

Selah
