PURPOSE OF NAME RESTORATION

The direction I received from the Holy Spirit was to restore my name back in 1991. As time has gone by more of the purpose has been revealed.

Step 1

The restoration of the Bay of the Holy Spirit's name was to acknowledge and give honor to God. This first step has been partially completed with the erection of the Historic sign on the Bay of the Holy Spirit.

Part of this commission was to be overseer (watchman) of people using the name Bay of the Holy Spirit. To be alert that action taken in the Holy Spirit's name was to remain pure and unadulterated. Man is not to use the Holy name for his own gain or pervert the Holy Spirit name in any manner.

Do not participate during the initial stages of the last in-gathering. To be the Overseer of any activities that are in the restoration purpose of the last revival.

Step 2

In order to get the Name Bay of the Holy Spirit on World wide maps is now in progress.

I have been rebuffed by the agency in charge of restoring the original name of the bay.

I am now encouraging believers in the restoration mission. Write a physical letter (snail mail) to the following individual. Stating that you want the name restoration back to the Bay of the Holy Spirit. If enough people write, that will fulfill their method of operation and the name will be restored.

Step 3

The last revival is for bringing back into covenant God's Spirit in man to Elohim.

Man's fleshly nature has been to replace God. To be in charge of his own life. This direction is in direct contradiction to the verse **Exo 20:3** Thou shalt have no other gods before me.

The flesh nature demands that it be healed, with no regard of the circumstances leading up to its condition.

Treating God as Santa Clause running toward for the immediate want. Repeating again and again, without ever taking the responsibility of one's own self.

God and His grace allows this action. He looks forward to the time when people will mature and stop playing this deadly game.

Healing will take place in this last revival. The more significant aspect will be Holy Reverence. The covenant relationship with The Father, Son and Holy Spirit coming into effect.

To get the attention of the world, there will be pressures of the economy. The anti-christ spirit's agenda and a myriad of physical disruptions in the earth.

The purpose is to wake up and let people know. God is in charge. Only by accepting Him in Spirit and in Truth can a person enter into covenant and security of an ALL POWERFUL ELOHIM.

During this last hurrah, there will be attempted disruptions and distractions. They will fall by the way side as their hidden agendas are revealed.

The physical manifestations are becoming evident and made obvious for the world to see and repent.

Look up your redemption draws near.
Peace, Shalom for you and your family and friends.

Pray for the Peace of Jerusalem
