SEEKING A VITREOUS MAN PROPHET IN OVERALLS # 188

In Lott's day, God was searching for a virtuous man. The number of virtuous eventually dropped to look for only ten. Not even 10 were found. Destruction was brought to Sodom and Gomorrah.

Even in the garden disobedience was found.

A person in total covenant with the creator has always been God's plan.

CHURCH DOUBLING DOWN

Today it is obvious that the spirit of HaSatan has become pronounced.

"Church" has the mind set of the world. Fleshly activities have replaced holiness. The larger the attendance the more "Las Vegas" is required. Moving to disrespecting God and His Word is common place. Allowing people the opportunity to hide in the crowd. Not responsible for their inactivity. It allows them to satisfy their need. Fulfilling some spiritual part. Their mind is only satisfied for a short period. They soon return to their old ways. Their spirit becomes void, and soon has nil affect.

When blessed, people and ministers heap up the finances. Soon it loses any resemblance of good stewardship. They squander on worldly treasures. Supporting political / liberal activities to think themselves spiritual. This creates alienation with others. They can't fathom the obvious self elevation decisiveness. Worldly, as well as spiritually.

POLITICAL MYSOGNY

Political motivated people have an extremely pivotal personal agenda. They are like kings who affect peoples lives directly. They have an inherent spiritual impact.

They take an oath of office and agree to serve the peoples' good. Health and welfare being the prime supposition.

When elections arrive, the gloves are taken off. The mud slinging ensues in earnest.

The words used show the disdain for their opponents. Sometimes exaggerating. Accusing the opponent of doing what they selves may be doing. Making it appear bad. All the while being fools and braggarts themselves.

Establishing ethics committees, that judge and censure the alleged activities of the accused. It is interesting. The people on the committee are, in a business where they present only part of the truth. Used to win against an adversary. Sounds like the kettle accuses the pot of being black. True definition of hypocrisy.

Since the politician appears to act generally, considering the welfare of the people. He makes decisions that increase his net worth. You can see this. Consider the net worth of a politician before he enters office and the when he retires.

Yes, there are some politicians who take the oath serious. Some actually leave office because of what they are requested to do.

There is presently an effort of attempting to clean up the chaos, of the "Foggy Bottom". Requiring a resolve that we applaud.

FAKE MEDIA

The continual daily bombardment of the perverted spinning of the truth. Extreme liberal biased reporting. It is causing responses that turn population against the lies presented. Mental pressure compounds the world to react with violence, Violence, is bought and paid for to create resentment and confusion.

THESE ARE THE SAME TACTICS THAT Hitler used in his political bureau to take over Germany prior to WW2.

Only by being in covenant with God and His Word will anyone be saved from the blatant sinning. Be wise choose eternity in the blessing of Elohim. SELAH
